their  
basketball skills during the day!

# LIFE EDUCATION VAN WITH HAROLD

This week the grade 1 students got to visit Harold in the Life Education Van.

They learnt about how to be a good friend, staying safe and who they can ask for help when they are in trouble. The students loved meeting Harold!

# The Olden Days

This term students have been learning all about the olden days and how things were

different back then compared to now. Mr. Fisher came to visit the students to chat about his time at school when he was a student and the students asked him lots of interesting questions. We also did some olden day activities where students looked at old objects and games, made damper and made butter using a marble in a jar.

and had a go at making their own creative  
drawing.
